**Subject:** FW: CSDO science requirement

As per the email below, please revise the CSDO 4 year program to reflect PHYS 1301 and PHYS 1101 lab in the fall of the sophomore year instead of the Life and Physical Science option.

Respectfully,

Jennifer

**Subject:** CSDO science requirement

The science requirement for CSDO majors is General Physics 1301 and 1101 lab (not an option). The change was made as a result of the academic requirements set forth by the American Speech Language Hearing Association for Communication Sciences and Disorders Programs.

**Subject:** CSDO Science Requirement

Dear Mary,

Upon review of the science courses for the CSDO degree, CSDO faculty decided that Survey of Chemistry would be the best choice since it does not require prerequisites. Additionally, the American Speech-Language Hearing Association states that the science requirement can be Chemistry OR Physics.

Respectfully,

Jennifer
