ENGL 4371
South Texas Writing Project Summer Institute, Writing and Research
Three-semester hours.
Students enrolled in this course will participate in the South Texas Writing Project’s Invitational Summer Institute, an affiliate of the National Writing Project. This course will concentrate on the student’s own development as a professional writer and on pursuing research in the area of teaching writing. Students will produce several pieces of writing suitable for possible publication and will focus on a research question germane to the teaching of writing. Prerequisite: Permission from South Texas Writing Project site director. Must be concurrently enrolled in English 4370.

Justification: This course is no longer needed for the degree or for pre-services teachers since there has been revision to degree plans in both the English BA with Certification and in COED.
