Rationale

The reasoning for adding the phrase “Course may be repeated when topic changes” is to enable different faculty members to teach diverse topics of interest under their areas of specialization while enabling students to receive credit for these courses. The proposed change will also allow for more flexibility and subject variety without the constant need to create new courses.
Course Descriptions to be Changed

ENGL 4302

Philosophy in Literature.

Three semester hours. (FL)

Formulation and critical analysis of philosophical ideas in selected literary works. Course may be repeated for credit when topics vary. (Cross-listed with PHIL 4302)
