Attach new/changed information. If in current online catalog, provide change and attach text with changes in red.

**Other:** Add information:  Change information:  Attach new/changed information. If in current online catalog, provide change and attach text with changes in red.

**Spanish Language Requirements for the Bilingual Specialization**

Once admitted to the College of Education, candidates wishing to complete the Bilingual specialization will need to complete all Spanish requirements as a prerequisite to enrolling in the following courses:

- o EDBE 3334 Teaching Content Areas in Dual Language Environments (taught in Spanish)
- o EDBE 3335 Language Arts Principles in Bilingual Settings (taught in Spanish)
- o EDBE 4310 History of Bilingual Education

The Spanish language requirements for the Bilingual specialization include taking the ACT-FL Spanish proficiency exam and obtaining a proficiency level of **Advanced-High** receiving a score at the established benchmark. If this level score is obtained, candidates may then enroll in SPAN 3310

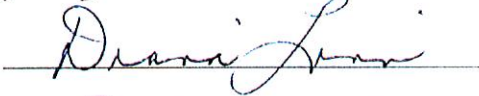

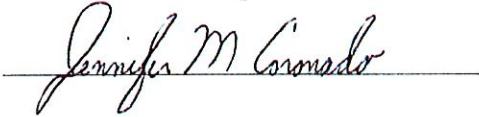

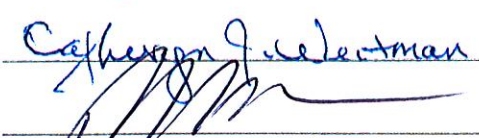

and SPAN 4311. (The prerequisite/co-requisite for SPAN 3310, which are SPAN 3300 and SPAN 3305, will be waived for those candidates who ~~demonstrated the~~ Advanced-High level of proficiency **receive a score at the established benchmark** on the ACT-FL.)

Should the ACT-FL proficiency level ~~be less than~~ **Advanced-High** ~~score be less than the~~ **established benchmark**, candidates will need to complete additional Spanish coursework with corresponding prerequisites/co-requisites, outside of the degree requirements. These additional courses are:

- SPAN 2313 and SPAN 2315, or SPAN 2630
- and
- SPAN 3300
- and
- SPAN 3305

After successfully completing these courses, candidates will need to then also successfully complete SPAN 3310 and SPAN 4311, before taking EDBE 3334, 3335, and 4310.
