COMM 3331

Photography II: Introduction to Photojournalism

Three semester hours.

Introduction to the photographic techniques, tools and content issues in visual communication for publications. The emphasis will be on using the photographic medium to communicate ideas, information, and emotions. Color and digital technology will be introduced, as well as an examination of sequential imaging as used in the photographic narrative form the picture story. Course may be repeated for credit when topics vary. Prerequisite/co-requisite: COMM 2331 or **ARTS 2356 and ~~3326~~**, or consent of instructor. Recommendation that student has own single-lens-reflex camera and 35 mm

lens.

Rational: COMM 3326 Journalistic Writing no longer exists. Journalistic writing is not a necessary prerequisite for an intermediate level photography class that is cross-listed with ARTS 3365 Intermediate Photography and ARTS 4365 Advanced Photography. ARTS 2356 is cross-listed with the already existing prerequisite COMM 2331 so it make sense to add it as an alternate prerequisite.
