Absent: J. Been, N. Burkhalter, J. Maxstadt, W. Newman, K. Parhizgar,

- I. Meeting was called to order by Dr. Cass.
- II.
  1. Information was provided on the Graduate Application for Admission. Suggestions were made for changes. Dr. Cass will go over suggestions and request any other ideas be submitted to him.
  2. Dr. Waters requested feedback on an MPA for LISD administrators not in an instructional assignment. The MPA has a 9 SCH track and an education track would be added. Six SCH in the MPA core would be replaced with courses in budgeting and school law. A suggestion was made to call it an Educational Support Track.
  3. Document #137: COAS- Master of Science in Mathematics was approved in principle. Dr. Goonatilake will work on adjustments and submit to the Provost. Course ENGR 2321/2021 was approved contingent upon compliance with Articulation Agreement.
  4. Documents #138: COAS - Changes in MAIS degree to offer only a non-thesis plan with two 18 SCH areas of specialization selected from disciplines in COAS. MAIS 5397 to be deleted from catalog.
