Date Submitted  January 31, 2008 - (2007 Report)

Assessment Period Covered (2006)

Academic Program/AES Unit  Master of Arts in Sociology

Person(s) Preparing Review  John Kilburn and Marcus Ynalvez

Provide summary of the last cycle’s use of results and changes implemented
We are monitoring the level of preparation of students taking the comprehensive exam. Public events will continue. This face to face outreach is becoming more important as more of our student's coursework is taking place online.

Section I: Planning and Implementation

Institutional Mission
Texas A&M International University, a Member of The Texas A&M University System, prepares students for leadership roles in their chosen profession in an increasingly complex, culturally diverse state, national, and global society … Through instruction, faculty and student research, and public service, Texas A&M International University embodies a strategic point of delivery for well-defined programs and services that improve the quality of life for citizens of the border region, the State of Texas, and national and international communities.

Academic Program or Administrative/Educational Support Unit Mission
The Master of Arts in Sociology is designed to support the mission of the university by 1) developing students' ability to communicate through the use of the written and spoken word 2) develop their appreciation of culture and social integration and 3) develop their sense of self-realization. This program addresses this mission through providing students the opportunity to obtain advanced knowledge in the core ideas of the field of Sociology. This carefully designed curriculum addresses the students' ability to secure employment.

Identify outcomes and the relationship to Strategic Plan

Outcome 1  Is this outcome related to writing (QEP)?
Students will identify underlying assumptions in theoretical orientations or arguments.

Identify Strategic Plan Goal related to Outcome 1
Goal 1 Academics

Identify Strategic Plan Objective related to Outcome 1
1.7 Establish and pursue student learning outcomes appropriate for each program with systematic assessment and use of results for continuous quality improvement.
Identify methods of assessment to be used
Seminar in Sociological Theory assignment requires a biographical sketch of a contemporary sociological theorist. This paper is judged based on the ability to explain the primary concepts related to the argument and offer both positive and negative critiques of this work.

Spring

**Criteria/Benchmark**
All students will demonstrate competence in using literature to develop research questions and testable hypotheses through earning a B or better on their research methods assignments.
Section II: Analysis of Results

When (term/date) was assessment conducted?
Outcome 1
Course was not taught in Fall 2007

Outcome 2
Course was not taught in Fall 2007

Outcome 3
Course was not taught in Fall 2007

What were the results attained (raw data)?
Outcome 1
N/A

Outcome 2
N/A

Outcome 3
N/A

Who (specify names) conducted analysis of data?
Outcome 1
N/A

Outcome 2
N/A

Outcome 3
N/A

When were the results and analysis shared and with whom (department chair, supervisor, staff, external stakeholders)? Submit minutes with data analysis to assessment@tamiu.edu (Please use Minutes Template located on the Project INTEGRATE web page.)
N/A

NOTE: Submit all assessment documentation (i.e., surveys, rubrics, course exams with embedded questions, etc.) to the Office of Institutional Effectiveness and Planning.
Use of Results: Indicate whether criteria were met/not met and what changes, if any, have been identified based on the data collected?

Outcome 1
☐ Met  ☒ Not Met

How have these data-based changes improved your program/unit?
Because we are a small program, we have not been able to offer graduate courses at the frequency we would like. The Theory course and Race Class and Gender course may only be offered every other year. Because Research Methods is cross-listed with Political Science and Public Administration, we will continue to offer the course every Spring.
Section III: Programmatic Review

Are resources affected by the changes identified in Section II?  □ Yes  □ No

If so, specify the effect(s) using the chart below:
