What suggestions would you offer to improve Career Services?

Extracurricular Activity Inform	nation	
Identify any of the following	activities in which you have participated.	(Mark all that apply)
Athletics	D Study Abroad	G On-campus organizations or clubs
Enotomity/Cononity	Ctudant Covamment	Internationally forward proprintions

- (B) Fraternity/Sorority
- (c) Intramurals

- (E) Student Government
- (F) Internship or Service Learning
- (H) Internationally focused organizations

#### **General Level of Satisfaction with the University**

How much do you feel your educational experience at TAMIU helped you	Very Much	Somewhat	Very Little	Not At All
Use appropriate reading strategies to acquire and demonstrate an understanding of different texts' meanings				
Orally express ideas clearly, coherently, and in an organized manner				
Communicate ideas in writing through clear, coherent, and appropriately organized prose				
Identify a research topic; use appropriate resources; synthesize, organize, gather, analyze, and interpret data				
Interpret/analyze/evaluate various forms of communication; synthesize and arrive at conclusions/decisions supported by the evidence				
Critically examine one's arguments and conclusions well and those of others				
Construct well-reasoned arguments explaining phenomena, validating conjectures, and supporting positions				
Gather evidence supporting arguments, findings, or lines of reasoning				
Support or refine claims based on the results of an inquiry				
Use quantitative and/or qualitative skills to solve problems and address issues creatively and constructively				
Establish knowledge and skills that enable you to extend the scope of a topic beyond an individual discipline				
Examine the similarities and differences among individuals as evidenced in human history, societies, and ways of living				
Recognize and understand the contributions of individuals from different ethnic and cultural backgrounds				
Explore and communicate an understanding of the interdependence of global, national, state, and local issues				
Effectively interact with others in a changing global context				
Appreciate and respect the value systems of diverse cultures				
Utilize ethical reasoning to guide personal and professional decision-making and be accountable for one's actions				
Utilize an understanding of more than one academic discipline to identify and explain a social, legal, economic, political, or technological issue and utilize appropriate resources to clearly communicate how the issue could be addressed				

As it relates to your major, please rate the quality of each item.	Excellent	Good	Fair	Poor	Not Applicable
Content of courses in the major					
Availability of courses in the major					
Diversity of courses in the major					
Quality of instruction in the major					
Opportunity to apply what was learned in the classroom					
Practicum/internships /co-operative experience					
Quality of courses in preparing you for employment					
Opportunities to express ideas in writing in the major					
Understanding how to research a topic or idea					
Experiential (hands-on) learning					
Please respond to each of the following items:			Yes	No	
If you could start your college career again, would you choose TAM	IIU?		$(\mathbf{Y})$	N	
If you could choose your major again, would you choose the same	major?		$\underbrace{\check{\mathbf{v}}}$	N	

What are the three most important things that TAMIU could do to improve the quality of experience for students?
