Academic Probation Admission Contract for Transfers/Re-admits

I acknowledge that I am being admitted into Texas A&M International University (TAMIU) on an *academic probation* status. Admission under *academic probation* status allows a student to enroll for only one semester (Fall or Spring or both Summer sessions.)

Please read and initial each statement below.

_____ I understand that I must repeat failed courses during my first semester of enrollment at TAMIU.

_____ I understand that I must earn an overall grade point average (GPA) of at least 2.0 at the end of my first semester. Developmental courses will be included in the overall GPA calculation as a condition of the probationary admission.

_____ I understand that I will be allowed to preregister for the subsequent semester; however, I also understand that if I do not meet the conditions at the end of the admitted semester, I will be dropped from all pre-registered courses.

_____ I understand that earning below a 2.0 GPA my first semester or combined summer sessions will result in automatic dismissal from the University.

_____ I understand that if I return to the University after being automatically dismissed one long semester, the same probationary requirements will apply.

Students are strongly urged to attend all Texas A&M International University classes and labs, complete all required assignments and seek tutorial help when experiencing difficulty in any enrolled courses. Students are encouraged to interact with peers, staff, and faculty, including participation in the **University Advising & Mentoring Center**. Student progress will be reviewed at the end of the semester by the University Advising & Mentoring Center.

By signing this contract, I agree to abide by the conditions of my admission described above.
