

Fall 2011 Final Exam Schedule

1. A final examination is required in every credit course and is scheduled on a designated day at the end of the course. No exam may be longer than three hours. No student is exempt. However, no student will be required to take more than two final examinations in any one day. Any student who has three final examinations scheduled in one day has the option of taking all three or requesting that one be rescheduled. A request to have an examination rescheduled must be made no later than (Monday - Friday) five class days BEFORE the last day of classes. A student should make arrangements with professors as early as possible to ensure that rescheduling will not pose any problems.
2. A change in the time for a whole class must be approved by the Dean of the College and the Provost.
3. Final examinations for the laboratory sections of courses are to be administered during the last scheduled lab period.
4. All final examinations are scheduled as follows:
