

About our Program

Accredited by AACSB International—The Association to Advance Collegiate Schools of Business, we strive to provide high-quality professional and internationalized education to our students.

Our Master of Business Administration (MBA) program is designed to hone students' skills from financial and strategic analysis to creating in-depth marketing plans. It examines current financial, strategic, and managerial situations. Graduates will secure a knowledge base that enables them to evaluate and resolve a vast array of today's pressing business problems

About our Faculty

"International" is in both our University name and our DNA. Our business programs are designed to target business aspects from around the globe. The main driver to our global outlook is our faculty. Our faculty joins us from around the world creating a true international feel. Highly experienced in different areas of the corporate world, our faculty strives for student success.
