A Region of Influence

Texas A&M International University
Office of Global Initiatives

Binational Consortium
Texas/Mexico Border
Centers of Influence-300 miles

Binational Center: Eagle Ford –Cuenca Burgos Community Program Texas A&M International University
Regional Value

• Total U.S. Int’l Trade: $3.97 Trillion
• Regional Ports: $533.32 Trillion
• 13% comes through this region
  ▪ Port data: $280.03 billion - Laredo
  $253.29 billion - Houston
Industrial Development

PRO

• Regional Access to Abundant & Inexpensive Energy
• Experienced logistic managers
• Vast expanse of underdeveloped urban areas available
Where can Industrialization happen?

Binational Center: Eagle Ford –Cuenca Burgos Community Program Texas A&M International University
Shift from Maritime—Why?

Outstanding Model of Experience & Reputation

- Port deliveries - timely, efficient, and on demand
- Example: HEB

Trans Pacific Partnership

- Chaos in California - 2 Billion lost daily
- Bring manufacturing to our region
Infrastructure

Readiness-

We have and need to expand

- Highways - best quality
- Bridges - we need more
- Seaports & Inland ports - expand capacity

What is our next step?

Agenda Conjunta

– A Binational Collaboration For a Successful Region
THANK YOU
