Date(s): August 04, 2014 – August 07, 2014
Instructor: Guillermo Barberena
Email: g.barberena@att.net
Days: Monday – Thursday
Time: 8:00am – 5:000pm
Setting: Classroom
Lunch: One (1) Hour
Prerequisite(s): Bachelor Degree w/teacher certification
CEU’s: 32 Contact Hours, 3.0 CEU’s
CE Email: continuingeducation@tamiu.edu
CE Telephone: (956) 326-3068
Supplies Provided: College Board Bundle and Instructor Printed Material

Learning Outcomes:
The goal is for the participant to leave with a greater understanding of the true beauty of Calculus. Calculus theorems, basic concepts and AP Exams will be the vehicles to create a better understanding of the AP Calculus curriculum and extensions necessary beyond the basic course.

Description:
The focus of the week will be expanding the mechanics, theory, and applications of the AP Calculus curriculum for teachers who are experienced or new to the subject. Extensive used of AP Test Questions, with insight to the grading process will be used so participants may better prepare their students for the test.
