Learning Outcomes:
During this Pre-AP Middle School English institute, participants will learn practical applications aligned with state standards for guiding learners to higher-level thinking.

Description:
In addition to strategies to prepare students for AP courses, we will also discuss how Pre-AP strategies can be used in all classrooms for all students. Participants will have opportunity to share best practices, especially those implementing technology effectively. Mostly, we will discuss the power of language and how we can empower our students with language analysis in both their writing and reading.
