

The SoilMERGE (SMERGE) team, is hosting an **upcoming Stakeholder Workshop** in **Denver, CO**. The **event will kick-off on Wednesday, May 9, at 5:30 pm** with a **no-host** social networking opportunity. The **workshop will begin at 8:30 am the following morning — Thursday, May 10**. During the workshop, you will have an opportunity to learn about SMERGE, provide feedback about its format and accessibility, and discuss potential applications to your area of research.
