

Building Scholars Summer Research Week July 10–14, 2017

A 5-day Summer Research Experience at TAMIU & Research Supplies worth up to \$400!

Texas A&M International University (TAMIU) and Laredo Community College (LCC) invite you to participate in this workshop to learn **cutting edge research techniques and methodologies** taught by experts in **Biology, Chemistry, Engineering, Math, and Social Sciences**. Learn essential tools to **develop your own research project** in class or in a lab, featuring: **hands-on techniques** in **molecular biology, chemistry, and robotics**; developing testable hypotheses, thinking critically to analyze data; and **professional presentation and writing skills** to communicate experimental results.

Requirements: Be a freshmen or sophomore attending either TAMIU or LCC

How to apply: Applications can be downloaded from the Title V Building Scholars website or picked up at TAMIU Canseco Hall 212B

QUESTIONS? Contact:

Undergraduate Research Director: Dr. Monica O. Mendez, Associate Professor, LBVSC 379B, (956) 326-2590, monica.mendez@tamiu.edu

Activity Director: Mrs. Elaine Almanza, CNS 212B, (956) 326-3123, elaine.almanza@tamiu.edu

Applications will be accepted until Friday, May 26, 2017, 5:00 pm.

Apply early as seats are limited.
