BESO TAMIAU
MONTHLY UPDATE
As planned, we performed two puppet shows and played Mexican loteria. At first, we were a little disappointed since we got an ugly location (it was room #120 at the Student Center, so it was hard to see since most organization were located at the Student Center Rotunda). We didn’t have that much audience for the first two hours, so we were just there chilling and planning our trip the BESO Conference.

Then, we decided to go and bring people to our classroom. So we did it! We put some signs around the Student Center and we spoke to people to inform them about our new organization and brought them to see our shows and play loteria. I bought bilingual books for children as prizes and cookies for the adults. I am glad to say that we had a great turn out. Lots of people showed up and it just felt so awesome.
Here are some pictures of that day:
March 28, 2015 - TAMIU’S BIG EVENT at the SOUTH TEXAS FOOD BANK

We decided to be part of the TAMIU’s biggest event of the year and volunteer by sorting/packaging food and inspecting for damaged/expired products.

It was an awesome experience since more than 300 dustdevils participated!

We are so excited to announce that we finally reached the 100 likes on Facebook!!
People are getting engaged in our page, they ask questions, like our statuses, and send private messages to ask how they can become members!😊
BESO TAMIUU Fundraiser

- We will be having our very first fundraiser this Thursday, April 8, 2015. BESO will be selling corn in a cup and home-made lemonades at the Take Back the Night’s event on campus.
We were invited to attend a leadership conference at San Antonio, Texas. We are so excited because we know that this is a unique opportunity to learn how to be a successful organization. BESO’s president, vice-president, and two members registered and we are just waiting for Friday to leave Laredo and meet the other Besitos from other universities!
