Summer Research and Graduate Funding: Resources to Share with Students

Once again, we are enlisting your help in getting information from the NSF and NASA to students you know who may be considering undergraduate summer research and/or applying to graduate school. Please announce these opportunities in any classes or at presentations you may be making, and forward or post the links below in this email -- as you deem appropriate.

For Undergraduates:
Paid Summer 2015 Undergraduate Research Placements:
Over 800 programs – REU, NASA and other paid summer research opportunities for undergrads
http://www.pathwaystoscience.org/undergrads.aspx

For Financial Support in Graduate School:
Fellowships and graduate programs in a wide variety of STEM disciplines:
http://www.pathwaystoscience.org/grad.aspx

For NASA-supported internships, fellowships and scholarships:
http://intern.nasa.gov

For tips on applying and associated resources:

For opportunities specifically in the Ocean Sciences:
http://www.pathwaystoscience.org/oceanscience.aspx

For opportunities specifically in Engineering:
http://www.pathwaystoscience.org/engineering.aspx

We’d be happy to answer any questions you have and to provide your students with assistance in applying to these programs.

Thanks and best wishes,

Liv Detrick
Institute for Broadening Participation
