Standard Administrative Procedure Statement

The purpose of this SAP is to assist Texas A&M International University (TAMIU) employees with compliance in regard to the Texas Public Information Act and to provide procedures to be used for the management of public information requests and compilation of responses.

Definitions

For the purpose of this SAP, the terms “Public Information” and “Open Records” are used simultaneously.

Procedures and Responsibilities

1. GENERAL

1.1 The Texas Public Information Act designates the Chief Executive Officer of each System member as the Public Information Officer (PIO). The President of TAMIU has delegated these responsibilities to the Director of Public Relations, Marketing and Information Services (PRMIS).

1.2 The Director or designee will distribute public information requests to gather responsive information in order to provide responses to requestors.

1.3 The Director will copy the System Office of General Counsel (OGC) on all requests and OGC will be consulted in regard to all responses. OGC will notify the Chancellor of requests that may have public relations significance, as appropriate.

1.4 The Director will copy the President on all requests that may have public relations significance.

2. RECEIPT OF PUBLIC INFORMATION REQUESTS

2.1 Manner of Receipt

2.1.1 No official format is required, but information must be requested in writing and contain requestor contact information.
2.1.2 A governmental body may not inquire into the purpose of a request.

2.1.3 All requests received directly by a department, by mail or hand delivery, shall be forwarded immediately upon receipt to the Office of PRMIS.

2.1.4 Requests made by electronic mail or facsimile transmission must be addressed directly to the Office of PRMIS. Departments receiving requests directly from the requestor by electronic mail or facsimile transmission should ask the requestor to resubmit the request to the Office of PRMIS.

3. RESPONSES TO PUBLIC INFORMATION REQUESTS

3.1 All documents that are responsive to a request from the Office of PRMIS must be provided by the date indicated on the request:

3.1.1 Records shall be forwarded electronically (via e-mail, flash drive, or CD) when possible.

3.1.2 If necessary to provide hard copies, copies should be single-sided and staples removed.

3.1.3 No redactions shall be made to responsive documents. Responses to multiple items shall be sorted and identified per item.

3.1.4 Concerns regarding release of certain responsive items shall be noted and provided to the Office of PRMIS with the response.

3.2 If sources for responsive information are known that are not indicated in the request, the Office of PRMIS shall be notified as soon as possible.

3.3 A response to a public information request includes responsive documents that exist at the time of a request.

3.3.1 A governmental body is not required to create new documents in response to a request.

3.3.2 A data base, as it exists at the time of a request, is considered an existing document.

3.4 The Office of PRMIS will assemble applicable cost estimates as described in System Regulation 61.01.02, Public Information.

3.4.1 The University does not charge for under 50 copies.

3.4.2 Cost estimates may be an option if a request will cost more than $40 to process.

3.4.3 If it is determined that a cost estimate is appropriate, it must be provided to the requestor no later than 10 business days after a request is received.

3.4.4 Cost estimates should be determined by taking a sample section of the responsive information and multiplying the sample by the total number of sections.
3.4.5 Actual work should not be done until the requestor agrees to the cost estimate.

3.5 All decisions regarding withholding or releasing records will be made in accordance with System Regulation 61.01.02, Public Information.

4. Employee Public Information Requests

4.1 As employees of The Texas A&M University System, TAMIU employees are not authorized to submit public information requests to System members while acting in their official capacity. Any public information request made by an employee to a System member must be submitted in that employee’s individual capacity as a private citizen.

4.2 The willful misuse of information received through the Act may subject the employee to the loss of individual indemnification by the State. This regulation does not affect employees’ access to information in their official personnel files.
