WELCOME

Dr. Pablo Arenaz, President
Texas A&M International University

We're excited to welcome you to "Discover TAMIU," our daylong celebration of all things Texas A&M International University. We've designed this event to welcome people of all ages, their families and friends, and to open doors and minds to what the "The International U" means.

Rest assured, we have fun and games in mind, but today is really about connection. It's about engaging with the University and seeing how we brighten futures, lift hearts and open minds. Whether you're sharing this day with your child or teen, or carving out a day for yourself and friends, today we focus tightly on how education makes possibilities real for all.

At "Discover TAMIU," you can explore the Dustdevil Spirit and find out that our 300-acre campus is home to a world-class education delivered by a gifted, global faculty. This is a place that radiates culture and knowledge, balanced by tradition and cutting-edge discovery. We've created five different pathways that will move you from classroom to boardroom, or from laboratory to the very skies above campus.

This is a family-friendly event where children will delight in navigating the campus with parents, where teens can tackle technology in its latest iteration, and where everyone can absorb sweeping vistas that can be the home base to futures of great promise. Over 20,500 graduates from all around the world, and just around the corner can confirm this.

Each year at "Discover TAMIU" we gather to celebrate, to be inspired, and to be challenged to discover more... and then more still. Whether it's a STEM opportunity, a chance to see history come to life, or a glimpse at a cherished future career, the connection to "Going Beyond" can begin here.

I'm looking forward to seeing you and welcoming you to "Discover TAMIU."

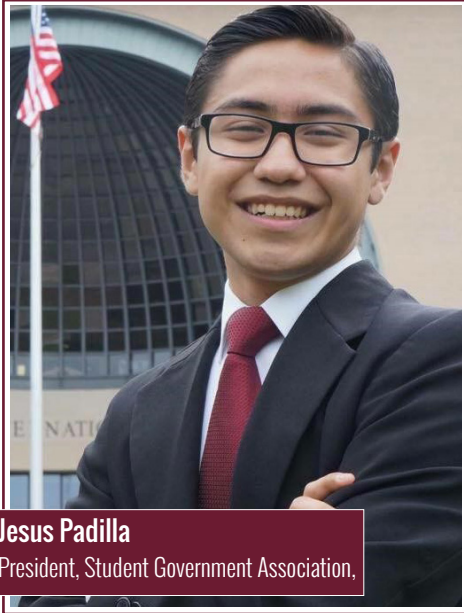

Gina De La Miyar Gonzalez '99 '01,
Chair, Discover TAMIU 2017
Associate VP of Student Success
Texas A&M International University

Welcome to Texas A&M International University (TAMIU) and Discover TAMIU.

We are excited to host this event and welcome the entire Texas community to discover "The International U."

With over 90 activities, everyone is sure to enjoy something special at The International U. Children will have the opportunity to take part in hands-on activities, in our musical sessions, colorful performances, and challenging brain twisters; teens will experience what it takes to become a true Dustdevil and learn how to conquer the world with education and a little motivation; parents and college readiness professionals will be taken through a whirlwind of useful information that will prepare them to be college-savvy; and community members will have a chance to meet our gifted faculty, students and the leaders of tomorrow while enjoying the beautiful surroundings the University has to offer.

As a proud alumnus of TAMIU, there is much more to discover and even more to appreciate here in Dustdevil Country.

Jesus Padilla
President, Student Government Association.

As a leader at Texas A&M International University I have witnessed and participated in wonderful initiatives that greatly benefit our community. That is why it brings me great pleasure to be a leader at a university that prides itself on community outreach, and discovery. TAMIU places emphasis on exploring The International U, and discovering your education as well. Discover TAMIU is a wonderful initiative that allows our community to discover themselves through activities that promote self-education and self-awareness.

DISCOVER TAMIU HAS SOMETHING FOR EVERYONE TO EXPLORE AND ENJOY.

PATHWAYS

AT DISCOVER TAMIU YOU CAN CHOOSE FROM FIVE EXCITING PATHWAYS TO EXPLORE, ENGAGE, AND ENJOY. EACH AFFORDS EVERYONE A SPECIAL DISCOVER TAMIU EXPERIENCE **PLAY • EXPLORE • LEARN**

ARTISTIC AVENUE
Express yourself through creative art, dance and music.

SPIRITED SPEEDWAY
Stride with pride and participate in Dustdevil Family traditions.

INTERNATIONAL U
Enjoy culture, education, humanities, and social sciences with a global twist.

BUSINESS BOULEVARD
Expand your knowledge and see how business plays a huge role in your world.

SCIENTIFIC JOURNEY
Explore a world of science, shapes, and surprises.

PARKING

During **Discover TAMIU**, the University will be a hub of activities with hundreds of guests from all across Texas and northern México. Parking is available throughout campus at no charge. Please observe posted signs as they relate to fire lanes or those that require special permits.

INFORMATION CENTERS

Information Centers will be located throughout campus to help guests and visitors navigate their way through campus and provide information on programs and activities. These centers will be denoted with a **i** on the map for easy guidance.

Each Center can provide general information on the nearest restroom facilities, building locations, and a printed program schedule.

PARKING FOR BUSES

The drop off location for large groups has been designated as the Student Center accessed from Entrance 3 if traveling from south to north on Loop 20, or Entrance 1 if entering through University Boulevard.

After dropping off students in the designated area, all buses should depart and use the parking lot at the Senator Judith Zaffirini Student Success Center located on the south side of campus.

RAIN PLAN

Rain, shine, cold, or hot is nothing new to TAMIU and activities and programs will continue as planned across campus. Most events will continue in their designated areas, but some may be moved to alternate locations.

FIRST AID

A first aid station can be found in the Student Center facing the parking lot to the west. It will be available for minor injuries and will help coordinate efforts, should an emergency arise.

RESTROOMS

Restroom facilities can be found in every campus building and on each floor.

LOST AND FOUND

If you or a guest has lost something while visiting TAMIU, please return to the location where you believe you may have left it. If it is not there or you cannot remember when you last saw your item, please visit the Information Desk located in the Student Center.

IMPORTANT SAFETY INFORMATION

Deer, javelinas, birds and other wildlife are frequently seen throughout campus. Please remember that these animals are in their habitat and should not be considered to be tame. While we welcome you to take pictures of them, take precaution to not get too close or chase them, as they may feel threatened. Extra measures should be taken with children who may confuse them with pets.

SOCIAL MEDIA

See what your friends, family, and classmates are up to during **Discover TAMIU** by using the **#DiscoverTAMIU** hashtag. You can search, explore and navigate through the numerous pictures and comments available for the whole world to see!

FOOD SERVICES

Aramark, the University's food service provider, is proud to offer numerous options for guests attending Discover TAMIU. The following locations offer an array of options for children of all ages and adults:

• STARBUCKS

Located on the first floor of the Killam Library Starbucks offers numerous beverages and snacks for purchase.

• FOOD COURT

Located on the first floor of the Student Center Subway, Grille Works, Chick-fil-A, and other options are available at the food court.

• DUSTY'S DINER

Located on the first floor of the Student Center Offering an all-you-care-to eat option with made to order dishes, salads, pizza, sandwiches and much more.

DON'T MISS AN ACTIVITY!

In this program we have included a comprehensive method for navigating the many activities happening across campus during **Discover TAMIU**. We have categorized them into field and age group, to help you choose, locate and discover activities focused specifically for you and your family.
