# DISCOVER TAMIU

**Dr. Pablo Arenaz, President**  
Texas A&M International University

**“I’M LOOKING FORWARD TO SEEING YOU AND WELCOMING YOU TO “DISCOVER TAMIU.”**

We’re excited to welcome you to “**Discover TAMIU**,” our daylong celebration of all things **Texas A&M International University (TAMIU)**. We’ve designed this event to welcome people of all ages, their families and friends, and to open doors and minds to what “**Going Beyond**” means.

Rest assured, we have fun and games in mind, but today is really about making connections. It’s about engaging with the University and seeing how we brighten futures, lift hearts and open minds. Whether you’re sharing this day with your child or teen, or carving out a day for yourself and friends...today we focus on how education makes possibilities real for all.

At “**Discover TAMIU**,” you can explore the Dustdevil Spirit and find out that our 300-acre campus is home to a world-class education delivered by a gifted, global faculty. This is a place that radiates culture and knowledge, balanced by tradition and cutting-edge discovery. We’ve created five different pathways that will move you from classroom to boardroom, or from laboratory to the very skies above campus.

This is a family-friendly event where children can enjoy navigating the campus with parents, where teens can tackle technology in its latest example, and where everyone can absorb a place that can be the homebase to futures of great promise. Over 21,500 TAMIU graduates from all around the world, and just around the corner can confirm this.

Each year at “**Discover TAMIU**” we gather to celebrate, to be inspired, and to be challenged to discover more...and then more still. Whether it’s a STEM opportunity, a chance to see history come to life, or a glimpse at a future career, the connection to “**Going Beyond**” begins here, at **TAMIU**.

**Gina De La Miyar González '99 '01,**  
Chair, Discover TAMIU 2018  
Associate VP of Student Success  
Texas A&M International University

**“WELCOME TO TAMIU AND DISCOVER TAMIU.”**

We are excited to host this event and welcome the entire Texas community to discover “**The International U.**”

With over 90 activities, everyone is sure to enjoy something special at The International U. Children will have the opportunity to take part in hands-on activities, in our musical sessions, colorful performances, and challenging brain twisters: teens will experience what it takes to become a true **Dustdevil** and learn how to conquer the world with education and a little motivation; parents and college readiness professionals will be taken through a whirlwind of useful information that will prepare them to be college-savvy. Community members will have a chance to meet our gifted faculty, students and the leaders of tomorrow while enjoying the beautiful surroundings the University has to offer.

As a proud alumnus of **TAMIU**, there is much more to discover and even more to appreciate here in **Dustdevil Country**. We are excited to see you on

Saturday, April 7 and share with you a special place we call home.

Gabriel M. Martínez  
President, Student Government Association,

## “WELCOME TO DISCOVER TAMIU.”

When it comes to exceeding expectations and providing the best education possible, Texas A&M International University (TAMIU) achieves it. Here at TAMIU, our students have an ardent devotion to education, community service, and helping others grow. TAMIU is an institution that truly “goes beyond,” surpassing many other universities across Texas in its rankings, its programs, its research, and its outreach.

“Discover TAMIU” is an innovative and exciting event that connects our students and our local community. It provides Laredo and surrounding communities with a powerful example of how wonderful our student community is, and how we all engage in and embrace “The International U.”

Here at “Discover TAMIU,” you’ll find creative and enriching activities that will provide you with insight into how our students and community share “The International U” as one.

Enjoy your time here and welcome to TAMIU!

# MAP LEGENDS

## PARKING

During Discover TAMIU, the University will be a hub of activities with hundreds of guests from all across Texas and northern México.

Parking is available throughout campus at no charge, but designated parking lots that require permits should be noted. Please observe posted signs as they relate to fire lanes or those that require special permits.

## INFORMATION CENTERS

Information Centers will be located throughout campus to help guests and visitors navigate their way through campus and provide information on programs and activities. These centers will be denoted with an "i" the map for easy guidance.

Each Center can provide general information on the nearest restroom facilities, building locations, and a printed program schedule.

## PARKING FOR BUSES

The drop off location for large groups has been designated as the Student Center accessed from Entrance 3 if traveling from south to north on Loop 20, or Entrance 1 if entering through University Boulevard.

After dropping off students in the designated area, all buses should depart and use the parking lot at the Senator Judith Zaffirini Student Success Center, located on the south side of campus.

## RAIN PLAN

Rain, shine, cold, or hot is nothing new to TAMIU and activities and programs will continue as planned across campus. Most events will continue in their designated areas, but some may be moved to alternate locations.

## FIRST AID

A first aid station can be found in the Student Center facing the parking lot to the west. It will be available for minor injuries and will help coordinate efforts should an emergency arise.

## RESTROOMS

Restroom facilities can be found in every campus building and on each floor.

## LOST AND FOUND

If you or a guest has lost something while visiting TAMIU, please return to the location where you believe you may have left it. If it is not there or you cannot remember when you last saw your item, please visit the Information Desk located in the Student Center.

## IMPORTANT SAFETY INFORMATION

Deer, javelinas, birds and other wildlife are frequently seen throughout campus. Please remember that these animals are in their habitat, and should not be considered to be tame. While we welcome you to take pictures of them, take precaution to not get too close or chase them, as they may feel threatened. Extra measures should be taken with children who may confuse them with pets.

## SOCIAL MEDIA

See what your friends, family, and classmates are up to during Discover TAMIU by using the #DiscoverTAMIU hashtag. You can search, explore and navigate through the numerous pictures and comments available for the whole world to see!
