

Fulbright – Garcia Robles Call for Scholarship Applications 2007

The US - Mexico Commission for Educational and Cultural Exchange (COMEXUS) provides scholarships to both Mexican and U.S. citizens.

Program for Mexican citizens:

1. Graduate studies for students
2. Graduate studies for faculty and teachers
3. Research and teaching internships
4. Exchanges for teachers and administrators in English language programs

Applications will be received beginning on January 2nd, 2006

To obtain more information on requirements, funding, application deadlines and new programs, please visit our website: <http://www.comexus.org.mx>

Please direct questions or comments, to: becas@comexus.org.mx

Please note that incomplete applications will be discarded.

Selection Committee

The Fulbright-Garcia Robles scholarships are publicized through open calls. The candidates are evaluated and interviewed by the COMEXUS selection committee, which is a group of scholars from higher education institutions, both public and private, from the whole country. The list of selected applicants will be posted on the Commission's website. The decisions made by the selection committee are final.
