

Texas A&M International University

A. R. Sanchez, Jr. School of Business

Master of Professional Accountancy

MPACC

About our Program

Accredited by AACSB International—The Association to Advance Collegiate Schools of Business, we strive to provide high-quality professional and internationalized education to our students.

Our Master of Professional Accountancy (MPAcc) degree is considered the industry standard for those wanting to advance accounting careers with a graduate degree. It is designed to surpass the minimum educational requirements for a student to be eligible to take the CPA examination. Many find our MPAcc program critical to career and personal success.

Admission Requirements

1. Submission of electronic graduate admission application via applytexas.org. Deadlines: Fall—April 30; Spring—Nov. 30; Summer—April 30
2. Submission of graduate admission application fee. Domestic—\$35; International—\$50; Late Fee—\$25
3. Official transcript(s) from each college/university attended.
4. Official entrance exam scores (GRE or GMAT).
5. Student narrative detailing your accomplishments, experiences and future career aspirations that have influenced you to pursue a graduate business degree at TAMIU, as well as, the role your immediate family has played in your decision to pursue graduate business studies.
6. Two letters of recommendation stating why you would make an ideal candidate for graduate business studies.
7. Updated resume outlining your education, work-experience, extra-curricular activities, community involvement, honors and achievements, etc.

**International applicants may require additional documentation for admission. Please contact us for more information.*
