**DSS** Disability  
Services for Students

*Empowering students with disabilities to  
reach their academic goals.*

We aim to foster greater awareness both of,  
and for, persons with disabilities in our  
multilingual, multicultural and  
international environment.

## Disability Services for Students may provide the following accommodations with appropriate documentation:

- Accessible furniture in classrooms
- Assistance in recruiting note takers
- Assistance in ordering audio books
- Assistance in recording textbooks when audiobooks are not available
- Equipment loan (*cassette players/recorders*)
- Materials enlarged (*e.g., exams, handouts*)
- Sign language interpreters
- Alternative testing arrangements
- Liaison with faculty, other University offices, and community agencies
- Specialized individual or group orientation to campus.

For accommodations or appointment please contact the Disability Services Coordinator, **Ruby Smith-González** at 326-2230, Student Center 124
