

# FOOD & DRINK POLICY

You may bring food and drinks in the library and study rooms, however, we ask that you follow these guidelines:

## **Acceptable:**

- Drinks in covered and durable containers (e.g. plastic travel mugs, Starbucks cups, capped bottles).
- Small snack food items (e.g. chips, energy bars, candy, or food items in small containers).

## **NOT Acceptable:**

- Greasy, messy, or strong-smelling foods (e.g. pizza, fried foods, pungent dishes, etc.). Strong smelling foods can be a distraction to others in the same way loud talking or music can be a distraction.
- Drinks with flimsy or no lids.
- Whole meals or food deliveries (e.g. pizza, Chick-fil-A, Whataburger, McDonald's, Wendy's, etc.).

**If you snack, clean your study space. Report major spills to the Circulation Desk on the first floor.**

If you find another patron's food too aromatic or offensive, contact the Circulation Staff for assistance.

**\*\*No alcoholic beverages or tobacco products of any kind\*\***
