

Advanced Placement

Examinations offered by the Advanced Placement Program are administered during late spring by high schools. Students usually take the examinations after completing AP courses. Interested students should contact their high school counselors for information concerning registration and test sites. High school students and currently enrolled students should have the College Board forward their scores to the University's Office of the Registrar. AP scores of entering freshmen are generally received in late July.

Students must be officially enrolled at Texas A&M International University to receive official credit with a grade of "CR". Students must select TAMIU as school recipient in order to receive credit to be posted on TAMIU transcript. The Testing Center does not report official CLEP/AP scores to the Office of the University Registrar for posting on transcripts.

ADVANCED PLACEMENT (Credit ONLY)

AP Exams	Credit Score	Hours Earned	Course Required	TAMIU Course Title
Art, History of	3+	3	ARTS 1301	History of Painting, Sculpture and Architecture
