

Orientation Workshop Feedback Form
STEM –RRG Pre-Engineering Cohort (PE Cohort)
Summer 2010

Using the following rating system, circle your response to the statements listed below:
0 = N/A, 1 = Disagree, 2 = Neutral, 3 = Agree

1. The orientation program I received was well organized and well delivered.

0 1 2 3

2. The orientation program provided was helpful and informative.

0 1 2 3

3. The orientation environment was inviting, comfortable, and adequately designed.

0 1 2 3

4. The length and speakers of the orientation program were appropriate.

0 1 2 3

5. The orientation program provided me with a greater understanding of my career goals and expectations of engineering profession.

0 1 2 3

In your opinion, how could the orientation program provided by the STEM-RRG program be improved to achieve the goals and expectations of the program?

In your opinion, how could the orientation provided by the STEM-RRG program can be beneficial to you?

Is there additional information that you feel you needed to receive to better prepare you to achieve the objectives of the PE Cohort?

Any additional comments that you think will be helpful to the organizers of the workshop.

Thank you for completing this survey. Please return the completed survey to Dr. Runchang Lin at the end of the Orientation Workshop; it is not necessary to identify yourself on the form. Your comments are beneficial in ensuring that the STEM-RRG program maintains an effective and efficient PE Cohort Orientation Program in the future.

Texas A&M International University, Department of Engineering, Mathematics, and Physics
This project is partially supported by a grant from the U.S. Department of Education, STEM-RRG.

More information about this grant may be found at
