**Change:** Revised degree plan for **Bachelor of Music All Level Certification Degree** (see below) to bring degree plan to **131 hours**. Includes the following changes:

- Deletion of Class Piano IV and combination of content into three semesters (Catalog Change form submitted separately)
- Deletion of Music Theory IV and combination of content into three semesters (Catalog Change form submitted separately)
- Deletion of Aural Training IV and combination of content into three semesters. (Catalog Change form submitted separately)
- Revision of Music History, combining three semesters into two. (Catalog Change form submitted separately)
- Divide the Visual / Performing Arts credit of the Core Curriculum into three semesters, requiring instrumentalists to take at least 2 semesters of choir and singers to take diction
  - This improves Aural skills supplementing the music theory / aural training classes
  - Vocalists are already required to take TAMU choral as their ensemble, taking diction is a standard requirement for vocal music majors
- Creation of MUED 3320 Music Methods and Materials (Catalog form submitted separately) to replace EDRD 3320 Content Reading – as discussed with College of Education
- Offer students a choice of advanced theory (choosing between Form & Analysis / Counterpoint)
- Addition of additional ensemble requirement
- Addition of MUAP 4005 Senior Performance – which was part of the degree prior to the current catalog

**Justification:** Required in order to meet legislative changes.  
Also makes this degree meet the Standards, Goals & Competencies of the National Association of Schools of Music (NASM) – the accrediting agency for music degrees.
