Program: Add: _____ Change: X Attach new/changed Program of Study description and 4-year plan. If in current catalog, provide change and attach page with changes in red.

Justification: These changes are made to bring the degree requirements for the BA with a Major in English into compliance with state legislation requiring no more than 120 hrs. for completion of such a degree. In that courses now referred to as “histories” of literature draw from the same list as courses called “Surveys” of literature in the core, we are changing their designation to “Surveys” to avoid confusion in counseling.
