(Please use separate form for each add/change)

COLLEGE/SCHOOL : __College of Business Administration

Current Catalog Page(s) Affected _____235, 371 _____

Course: Change from BA 6398 to BA 6345 Add: _____ Delete: _____
(Check all that apply) Change: X Number _X___ Title _X____ SCH _____
Description _X____ Prerequisite _____

If new, provide Course Prefix, Number, Title, SCH Value, Description, prerequisite, and lecture/lab hours if applicable. If in current catalog, copy and paste the text from the on-line catalog and indicate changes in red.

Special Issues in Research
Three semester hours.

Change
From: BA 6398: Special Issues in Research –Structural Equation Modeling with PLS
To "BA6345: Variance-Based Structural Equation Modeling""

Add: Course Description: Applies variance-based research methods and techniques to the study of international business administration.

No specific course description for this course appears in the catalog.

Program: Add: _____ Change: _____ Attach new/changed Program of Study description and 4-year plan. If in current catalog, copy and paste the text from the on-line catalog and indicate changes in red.

Minor: Add: _____Delete: _____ Change: _____ Attach new/changed minor.
If in current catalog, copy and paste the text from the on-line catalog and indicate changes in red.

Faculty: Add: _____ Delete: _____ Change: _____ Attach new/changed faculty entry.
If in current catalog, copy and paste the text from the on-line catalog and indicate changes in red.

College Introductory Pages: Add information: _____ Change information: _____
Attach new/changed information. If in current catalog, copy and paste the text from the on-line catalog and indicate changes in red.

BA 6345- VARIANCE-BASED STRUCTURAL EQUATION MODELING

Learning outcomes:

1) Students will have ample understanding of traditional structural equation modeling issues, and

2) Students will acquire enough hands-on experience on how to conduct structural equation modeling-based research using the partial least squares (PLS) approach.
