Justification

All changes are at the recommendation of a joint committee of bilingual education (COE) and Spanish (COAS) faculty. This committee carefully considered the best preparation possible for our students.

Program: Add: _____ Change: X Attach new/changed Program of Study description and 4-year plan. If in current catalog, provide change and attach page with changes in red. There is also a change in the title of the degree to put greater emphasis on "Bilingual Education" by making this the major and by making "Early Childhood" the specialization. This will also make Banner focus reports easier to interpret because the bilingual majors will be grouped separate from the other early childhood majors.

Justification:

In response to both academic concerns by our colleagues in both the Spanish and Education faculties, we propose to satisfy both by requiring SPAN 4317 for all Bilingual Education Majors in lieu of EDCI 3302 which is not taught bilingually (Spanish/English). The Spanish and

Bilingual Faculty propose balancing the number of Spanish and Bilingual Credit hours to 15 hours for each area as indicated below as well as restructuring the course line-up as reflected in the degree plan. This request will adhere to the 130 hour pre-existing degree plan.

BACHELOR OF SCIENCE IN INTERDISCIPLINARY STUDIES WITH A MAJOR IN ~~Early Childhood Education/Specialization Bilingual Education~~ **BILINGUAL EDUCATION EC-6**

Following is **one** suggested four-year degree plan. Students are encouraged to see their advisor each semester for help with program decisions and enrollment. Students are responsible for reviewing the [Program of Study Requirements](#).
