Justification: PSCI 3345-Introduction to Public Administration is the only current core course that does not address any of the standards set forth in the ACJS Certification standards. We are proposing to move PSCI 3345 to elective courses for the major. The proposed changes to the CRIJ Core Requirements allow students to have a broad base of criminal justice knowledge and to be able to take elective courses in criminal justice and related fields that are specific to their career goals and interests.
