EDSE 5307 Evidence-Based Practice for Students with Disabilities

Description: This course provides students with an overview of special education eligibility categories and the need for Evidence-based Practice when teaching students with identified disabilities. The course will emphasize skills needed to determine when a teaching strategy qualifies as an Evidence-Based practice, and will present teaching strategies that are currently validated.

Student Learning Outcomes: This course uses the Texas Pedagogy and Professional Responsibilities Standards for Early Childhood through Grade 12. Although we will address knowledge and skills from all five standards, we will specifically focus on Standards II and IV.

Special Education EC–12 Standard VI:

The special education teacher understands and applies knowledge of procedures for planning instruction and managing the teaching and learning environment.

Special Education EC–12 Standard II:

The special education teacher applies knowledge of professional roles and responsibilities and adheres to legal and ethical requirements of the profession.
