NURS 2310 Nutrition (3 hour theory class)

Life cycle nutrition is presented in conjunction with diet therapy principles. Nutritional assessments will include the influencing variables of culture, religion, economics, physiology, and medical regimen. Relevant research will be identified. Counseling and other interventions will be taught within the framework of the nursing process. To earn credit, this course must be completed with a grade of "C" or better. (Advanced standing for RNs.) **Registration requires nursing department approval**

Purpose of the change is to ensure that students taking pre-nursing course are adequately advised.
