Communication Disorders Entry and Continuation Requirements

Students desiring entry into the Undergraduate or Certificate Programs in Communication Disorders must have a minimum overall grade point average of 3.0 on a 4.0 point scale in all college level work attempted. For continuation of enrollment in the Communication Disorders Program the student must maintain an overall 3.0 grade point average.

Note: Presently there is no notation of a prerequisite grade point average in the catalogue so this would be an addition preceding the CSDO listing.
