**BACHELOR OF SCIENCE IN INTERDISCIPLINARY STUDIES WITH A MAJOR IN BILINGUAL EDUCATION WITH GRADES EC-6 CERTIFICATION**

**Program:** Delete:  Add:  Change:  Attach new/changed Program of Study description and 4-year plan. If in current online catalog, provide change and attach text with changes in red.

**Change the sequence of courses.**

**Justification:**

**When the sequence of courses was changed a couple years ago, a maximum course load was 17 hours. Now that the course load has been increased to 18 hours, we can adjust the sequence so there will not be any courses listed for the summer sessions, and the final semester still has only student teaching.**

Following is one suggested four-year degree plan. Students are encouraged to see their advisor each semester for help with program decisions and enrollment; responsible for reviewing the [Program of Study Requirements](#); and must meet foreign language and writing intensive course requirements for graduation. See [Academic Regulations-Undergraduate](#).

\*See the University Core Curriculum Requirements in [Appendix A](#) for approved list of course options.
