MASTER OF SCIENCE IN EDUCATION WITH A MAJOR IN BILINGUAL EDUCATION (NON-THESIS)

Program: Delete: ___ Add: ___ Change: __X__ Attach new/changed Program of Study description and 4-year plan. If in current online catalog, provide change and attach text with changes in red.

Justification:
With the rise of the number of students needed to offer a graduate course from 5 to 10 students, it is impractical to offer students in the Bilingual Education masters program the option of taking either EDDP 5327 or EDBE 5324. We barely have 10 students to maintain a yearly schedule, and we will make it very difficult to get enough students to offer EDBE 5324. The course EDDP 5324 will continue to be offered if the masters degrees in Curriculum and Instruction, Early Childhood Education, and Reading keep it in their degree.
