Add course: CSDO 3226 (WIN): Clinical Practicum in Speech-Language Pathology.

Description:

CSDO 3226 (WIN) Clinical Practice in Speech Language Pathology Two semester hours. This course is designed to provide clinical experiences in speech-language pathology under direct supervision. Clinical experiences will be offered at the TAMIU Communication Disorders Center. Prerequisite: CSDO [3122](#) and one course from CSDO [4321](#), CSDO [4333](#) or CSDO [4335](#). Course fee: \$100.00.

Justification:

This course will be used in a revised degree plan that consolidates the current CSDO 3126 which is taken two semesters into a practicum experience which will take place in one semester. This will allow better utilization of staff resources.

Student Learner Outcomes:

At semester end, the student will be able to:

1. Complete a self- critique of a clinical session
2. Identify and write behavioral goals and objectives
3. Display competence in speech-language documentation
4. Display competence in ethics in speech-language pathology
5. Display competence in the intervention process and planning
6. Display competence in clinical supervision for intervention planning
7. Display competence in the concept of collaboration
8. Display competence in data collection
