Introduction to Management of Organizations

Three semester hours.

A study of managerial theories, concepts, principles (planning, organizing, leading, and controlling), practices, and analysis of organizational structure including the problems of reorganization. Analysis of organizational goals, roles, and functions in private for-profit, private quasi-public, private nonprofit, and public organizations. (For non-business majors only.)

JUSTIFICATION: Voted on and approved by the ARSSB, this course is being deleted due to faculty feelings that the course is no longer relevant and hasn't been offered in over 5-years. _____
