MGT 4351

Comparative Management Systems

Three semester hours.

A study of management philosophies, techniques and processes under conditions other than those found today in the United States. Reviewing American, Oriental, European and Middle Eastern management systems in terms of similarities and differences. Prerequisite: MGT 3310.

JUSTIFICATION:    Voted on and approved by the ARSSB, this course is being deleted due to faculty feelings that the course is no longer relevant and hasn't been offered in 8 years (Spring 2004).\_\_\_\_\_
