THAR 2366

~~Introduction to Film~~ **Development of the Cinema**

Three Semester Hours.

Emphasis on the analysis of the visual and aural aspects of selected motion pictures, dramatic aspects of narrative films, and historical growth and sociological effect of film as an art. (Cross-listed as COMM 2366)

Justification: The title of this course reverts to the original title in the Lower Academic Course Guide Manual for that of Theatre Arts (Drama in the L.A.C.G.M.). Changing it will align it more with this manual and give the course its own identity as a theatre arts course.
