LLTR 5381 Directed Studies in English. Three semester hours.

Opportunity for graduate students to undertake independent study or research in English Language and Literature. Prior consent of faculty member(s) with whom students wish to work. Subject may vary from semester or semester. Graded CR/NC.

Learning Objectives

- Students will formulate hypotheses about problems in the field
- Students will investigate the validity of those hypotheses through the analysis of the corpus of study
- Students will compare the results of their investigation with previous research in the field

JUSTIFICATION

This new course offers the student the possibility of undertaking research-directed work under the supervision of a faculty member in the field of English (see general justification of changes for the degree plan).
