## **COAS 093: HIST 4364 3375: U.S. Southern History**

Student Learning Outcomes:

Students will be able to:

- Demonstrate knowledge of facts concerning the history of the U.S. South from colonial times through the present.
- Discuss and explain connections between historical events and describe historical changes taking place in the U.S. South.
- Analyze both primary and secondary historical sources, evaluating their effectiveness and critical value.
- Develop written arguments in a variety of formats (e.g., article reviews, book review, research paper).
