Number HIST 5399 Title: Thesis II SCH 3

Description: This course is designed to be the final step towards the successful completion of the History thesis. Students will receive a passing grade for the class when they have successfully written and defended their thesis to their graduate committee. ~~To be scheduled by the student in consultation with his/her major professor.~~ If the grade of IP received, the student must enroll again for credit.

Prerequisite: Graduate standing, completion of HIST 5398, and approval of the ~~major instructor/~~ student's graduate advisor.

Justification: This reflects greater standardization of the thesis process to help ensure that students are able to see their degrees through to completion.
