**EDCU 5311** Professional Counseling Ethics and Legal Issues
Three Semester Hours

This course will provide an overview of professional issues in counseling with an emphasis on current ethical standards and practices. Ethical standards of American Counseling Association and American School Counseling Association and related entities will be reviewed. Application of these codes in professional settings will be discussed exploring ethical decision-making models.

Student Learning Outcomes:
1) Apply professional, ethical, and legal principles when collaborating or consulting with stakeholders (exp., parents, teachers, other professionals)
2) Actively engage in professional counseling associations
3) Demonstrate ethical decision-making skills through collaborative small group work.

Justification:
The change to this title is to align with new State requirements and the future redesign of the school counseling program.
