EDSE 4315*Adapting the Curriculum for Special Education*

Three semester hours.

This course examines the various approaches to teaching and adapting mathematics, science, language arts, and social studies to children with special needs. Special attention will be given to writing behavioral objectives and IEPs based on TEKS. Prerequisites: **Admitted to and in good standing in the College of Education or department approval.** ~~Admission to the College of Education, 2.7 overall grade point average, EDSE 3310 and EDSE 3315 (may be taken concurrently), or permission of advisor.~~

Justification:

The Texas Education Agency (TEA) has increased the GPA requirement for entrance to teacher certification programs to 2.75, effective September of 2014. To avoid having to submit multiple UCC documents each time the GPA is altered, it was decided to include a standard statement. "Admitted to and in good standing..." implies that the student is maintaining the required GPA.
