## ECO 3325

*Latin American Economic Issues.*

Three semester hours. (SP)

Analysis of recent and historical issues in Latin American economics, including economic development and its relation to poverty, schooling, the informal sector, agrarian issues, sustainable development; inflation; debt; trade; regional integration; infrastructure development; privatization and entrepreneurial activity; and stabilization and structural reform using case studies from Latin America. The focus of this course is on policy analysis rather than theory development. Prerequisites: ECO [2301](#) ~~or consent of instructor~~ and Junior standing.
