Counseling related elective chosen from those listed above.
TOTAL 48 60 SCH
Justification:
The school counseling degree program needs to move from a 48 SCH program to a 60 SCH program to meet the requirements of the Council for Accreditation of Counseling & Related
Educational Programs (CACREP). As we improve our program and increase the rigor of our
standards, we will produce higher quality professional counselors for settings in Laredo and the
state of Texas. We hope to begin the CACREP process in the next few years which will increase
our standards and meet the changing standards of the state of Texas which will be requiring a 60
credit hour degree by August 1, 2017.
