Critique-an-Argument	88	88	52		52
Total score	88	88	105		105

*Institutions may have questions about comparing student counts between the Institutional Report and Student Data File. Counts for Analytic Writing Task represent students completing both parts. Students outside of the correct class year (e.g., non freshmen) or students in special programs who are excluded from report results may account for discrepancies in these counts.*

**Abilities of CLA participants versus their classmates**
