TEXAS A&M INTERNATIONAL UNIVERSITY
PURCHASING CARD PROGRAM GUIDE

OVERVIEW

Purchasing Card Program

The Purchasing Department offers to all Texas A&M International University Departments a simplified way in which to order and pay for goods. The Purchasing Card Program (ProCard) is a fast, flexible purchasing method for processing **non-restricted commodity** purchases from suppliers that accept credit cards. The purpose of the Purchasing Card Program is to establish a more efficient, cost-effective method of facilitating the delegated purchasing and payment for small dollar transactions. If used to its potential, the program will result in a significant reduction in the data entry of limited requisitions, receiving, invoices, and vouchers and reduction in related documentation including checks. The ProCard can be used with any supplier that accepts MasterCard as a form of payment.

All purchasing statutes, rules, policies, and procedures must be adhered to when utilizing the ProCard.

PURCHASING CARD CONTRACT

The terms and conditions of the ProCard contract are specified and awarded by the Texas Procurement and Support Services (TPASS) for the State of Texas. Texas A&M International University is utilizing the State of Texas contract for purchasing card services with Citibank. Texas A&M International University and its' cardholders must comply with the terms and conditions of the State contract in the implementation of this program.

PURCHASING CARD PROGRAM GUIDE

This Purchasing Card Program Guide provides the guidelines for using the ProCard. **PLEASE READ IT CAREFULLY.** Your signature on the Purchasing Card Agreement (Attachment A) certifies that you understand the intent of the program and agree to follow the established guidelines.

IMPORTANT POINTS OF THE PROGRAM

The following important points should be reviewed before using the ProCard:

- Your ProCard is issued in your name. **All purchases using the ProCard must be made by you only!** You are responsible for the security of the ProCard and the transactions made with it. **FAILURE TO FOLLOW THE PURCHASING CARD GUIDELINES CAN RESULT IN CORRECTIVE ACTION INCLUDING TERMINATION OF EMPLOYMENT.**
- ProCards must not be shared; it forfeits your dispute rights with Citibank.
- State Statute (SB583) prohibits state entities from buying from vendors who are under “warrant hold” status. Vendors are on warrant hold for reasons such as being in debt to the State, tax delinquency, student loan default, or failure to pay child support. It will be the responsibility of the cardholder placing an order to insure that “warrant hold” status is verified **BEFORE COMMITTING FUNDS ON BEHALF OF THE UNIVERSITY** Cardholders must verify vendors’ “warrant hold” status on the Comptroller of Public Account’s website. The Comptroller’s website is <http://www.window.state.tx.us/procurement/>.
- You can use the ProCard with any vendor that accepts MasterCard and is not on the restricted list (restricted merchant category codes restricted by the University/State). It may be used for in-store, mail, telephone, and fax purchases/orders.
- You may use the ProCard to purchase supplies within your delegated limits. Use must not exceed the monthly credit limit assigned to the ProCard.
- Statement reconciliations are due to the Purchasing office immediately after the closing of the monthly cycle. Any Expense Reports submitted after the 13th of the month will be considered late and cardholders will be reported. Late submissions are tracked, and after three (3) late submissions, ProCard privileges will be suspended. Reconciliation is required in order to ensure that all charges are accurate.
- The ProCard **is not intended to avoid or bypass appropriate purchasing or payment procedures.** This program complements the existing processes.
- The ProCard is **not for personal use.**
- The Pro Card must be returned to the Program Coordinator upon your transfer or termination of employment.

The Purchasing Department will place a suspension on all credit cards that incur 3 or more restricted purchases. After a second restricted purchase, cardholders will be required to come in for a second training.

The cardholder is responsible for following the purchasing guidelines of Texas A&M International University in regards to purchases, selection of vendors, security of card and monthly reconciliation.

PURCHASING CARD CONTROLS

Credit Limits

All ProCards have monthly cardholder spending limits. Monthly limits may vary for each cardholder and will be established by the Program Administrator. Request to raise limits will be sent to the Program Administrator in writing by the supervisor and must be approved by the appropriate VP. The Program Administrator will review and respond to the request.

If the request is granted, the Program Administrator will forward the request to Citibank for processing.

Please allow 2 to 4 working days for Citibank to process any limit changes.

Transaction Limits

Your ProCard has a single transaction limit of \$5,000.00 per cycle, unless otherwise specified. This is the amount available on the ProCard for a single purchase. A cardholder **must not** have expenditures over the set limit per cycle or the purchase will be declined. A transaction includes the purchase price plus freight. Cardholders should not attempt to make a purchase greater than their approved amount or split purchases in an effort to remain under the established transaction limit.

Restricted Vendors

The ProCard Program may be restricted for use with certain types of suppliers and merchants. If you present your ProCard for payment to these vendors the authorization request will be declined.

Historically Underutilized Business Program Guidelines

It is the policy of Texas A&M International University to involve qualified Historically Underutilized Businesses (HUBs) to the greatest extent allowed by law in the University's construction contracting, professional services, and purchase, lease or rental of all supplies, materials, services, and equipment. The University, its contractors and subcontractors will not discriminate on the basis of race, color, religion, national origin, sex, disability, political belief, or affiliation in the award of contracts. **Every University employee is responsible for conducting business with outside vendors and has the responsibility of making a good faith effort of ensuring that HUBs are afforded an equitable opportunity to compete for all procurement and contracting activities of the University.** Texas A&M International University has adopted HUB Policy as outlined by The Texas A&M University System Policy 25.06 (See Attachment D, and E).

A list of HUB vendors may be found on the Texas Procurement and Support Services (TPASS) website, <https://mycpa.cpa.state.tx.us/tpasscmblsearch/index.jsp> . A partial list of vendors can be found on the Texas A&M International University Purchasing website, <http://www.tamui.edu/adminis/purchasing/hubsvendor.shtml>.

MAINTAINING YOUR PURCHASING CARD

It is the cardholder's responsibility to **ALWAYS** obtain an itemized receipt for each transaction when using the ProCard. The receipts should be kept in a safe place and retained in the department. Receipts are the University's official records and will be required for audits.

Cardholders Empowerment

At the end of each billing cycle (3rd of every month- except weekends or holidays) the cardholder will reconcile by going to Citibank's website at <https://home.cards.citidirect.com/CommercialCard/Cards.html?classic=2>. Attach all documentation, note any additional information pertinent to the purchase, verify all purchases are valid and forward the Expense Report to the corresponding supervisor for review and approval. **The Expense Report should then be routed to the Purchasing Department for approval prior to payment.**

Sales and Tax

Texas A&M International University is **tax exempt** and the credit card so indicates. Ensure taxes are not being applied to your purchases. A tax exemption certificate is available through the Business Office.

Security of the ProCard

The cardholder is responsible for the security of the card. This card will be treated with the same level of care as the cardholders would use with his/her own personal charge card. Guard the ProCard account number carefully. Your account number should not be posted in a work area or left in a conspicuous place. It should be kept in an accessible but secure location.

The only person authorized to use the ProCard is the cardholder whose name appears on the card. The card is to be used for business purposes only. Unauthorized use of the ProCard can result in disciplinary action being taken by the University, including termination of employment.

Employment Transfer/Termination

When a cardholder terminates employment with Texas A&M International University or transfers to another department within the University, the department has the specific obligation to reclaim the purchasing card and return it to the Program Administrator prior to the employee's termination/transfer date.

Lost or Stolen Cards

If a ProCard is lost or stolen, immediately contact the Citibank’s Customer Service at **1-800-248-4553**. After contacting Citibank, notify the Program Administrator and the department supervisor.

Procedures

To obtain a ProCard the following process will be followed:

1. Cardholder must fill out an application and department head/supervisor must approve. The approved application must be forwarded to the Program Administrator. (Attachment F).
2. Program Administrator will submit ProCard application to Citibank. Please allow up to/approximately ten (10) days for your card to be received by the Purchasing department.
3. Once the card is received, the Program Administrator will schedule the applicant for a ProCard training. The applicant must bring a photo I.D. to the training class for verification and identification.
4. The applicant will attend the training (approximately 45 minutes) and will sign Purchasing Card Agreement (Attachment A).

About the Card

A ProCard will be issued in your name with the State of Texas emblem and the wording “**OFFICIAL USE ONLY**” clearly indicted on the card. This card is for University business purposes only and it may not be used for any personal transactions. **It is important you understand that you are personally responsible and accountable for this ProCard.**

Purchasing Card Activation

The cardholder must sign the back of the card and activate the ProCard at <https://home.cards.citidirect.com/CommercialCard/Cards.html?classic=2> before using it.

Purchasing Guidelines

As a State institution, we are bound by certain state, local and federal laws and guidelines. As such, all purchases must be in accordance with the laws of the State of Texas and the purchasing procedures of The Texas A&M University System and Texas A&M International University. The cardholder is responsible for compliance and strict adherence to all purchasing guidelines within their department delegated authority.

Single/Vendor Transaction Limit	\$5,000.00
Monthly Transaction Limit	\$5,000.00

As a reminder, the departmental delegated authority is for limited purchases. State law mandates that large purchases may not be broken down into small purchases to meet delegated limits. To do so would be a violation of state law and The Texas A&M University System and Texas A&M International University purchasing procedures. These limits help ensure that large-dollar purchases comply with University and State requirements for competitive bids. Cardholders who split purchases or bypass transaction limits will be reported to the appropriate VP for corrective action.

Cardholders should promote and encourage positive interactions with suppliers. Honesty and courtesy are essential ingredients in all aspects of a buyer/supplier relationship.

All cardholders will follow these guidelines when using the ProCard:

1. Identify the commodity class and item of goods or services to be purchased.
2. Check the Texas Procurement and Support Services (TPASS) or the Purchasing Departments website for HUB vendors at <https://mycpa.cpa.state.tx.us/tpasscmblsearch/index.jsp> .
3. Check the State of Texas Contracts. If the item is on State Contract utilize the Contract. All items on State Contract may be found at <http://www.cpa.state.tx.us/procurement/>.
4. Statute prohibits state entities from buying from vendors who are in “warrant hold” status. Verify vendors “warrant hold” status utilizing State Comptroller’s website <https://cpafmprd.cpa.state.tx.us/tpis/search.html>.

Examples of Acceptable Purchases

All purchases must be made in accordance with the applicable statutes and regulations, the State Comptroller’s rules, The Texas A&M University System and Texas A&M International University’s policies and procedures. (**Refer to Guidelines for Disbursement of Funds, http://purchasing.tamu.edu/media/64789/disbursement_manual.pdf**) A State Agency **may not** pay for goods before they are delivered to the agency. The cardholder needs to ensure goods **will not** be received before the statement due date. The University’s closing date will be on the 3rd of each month with payment due within fourteen (14) days. Vendors should only charge the account when goods are shipped, this includes backorders.

Firearms/ammunitions and cash registers for any amount are controlled assets and **may not** be purchased with the ProCard. If you need further clarification regarding controlled assets please call the Purchasing Department at 326-2343.

Receiving Supplies

It is your responsibility to ensure receipt of goods and to follow up with vendors to resolve any delivery problems, discrepancies and/or damaged goods. A copy of the charge slip, sales receipt or any other information related to the purchase must be kept.

A vendor’s entry system usually prints an automatic invoice with the processed order. Instruct the vendor not to send the invoice to the Accounts Payable Department but directly to the individual cardholder making the purchase (this will prevent duplicate payments to vendors). If a purchase is made via mail or telephone, ask the vendor to include the receipt with the goods when shipping the products.

Expense Report and Documentation

The cardholder is responsible for submitting the Expense Report.

The credit card transactions **must** be reconciled thru Citibank’s website (<https://home.cards.citidirect.com/CommercialCard/Cards.html?classic=2>) immediately after the closing of the billing cycle. **The following documentation is required to be retained and submitted with the Expense Report:**

- Sales receipts
- Credit card receipts/slips
- Other information or correspondence related to the purchase
- Credit receipts
- Reimbursement/Payment of Business Meals Form

If a receipt is unattainable the cardholder must fill out a form for each missing receipt. The form that must be filled out is the Supplemental Documentation/Missing Receipts Form.

Reconciliation

The cardholder must use Citibank’s GCMS website to log in and reconcile. **Any discrepancies identified will be promptly investigated with the documentation of action taken and recorded as an attachment to the log. It is the cardholder/department’s responsibility to resolve all discrepancies.**

Transactions require the approval of both the cardholder and their immediate supervisor. Under no circumstances will both the purchaser and approver be the same person. In the case of purchases made by Vice Presidents and the President, the following approval will be followed:

Cardholder Signature Line

VP for Institutional Advancement

Department Head Signature Line

Audit of Expense Report

The Expense Report, along with the supporting documentation become official records and will be maintained in the Business Office in accordance with the University’s record retention schedule. The records for the ProCard purchases will be required when Texas A&M International University is audited. These records may be audited by the Texas A&M International University Fiscal Office, Purchasing Department, Texas A&M University System auditors, or state auditors.

Transactions on completed Expense Reports, after being submitted to the Purchasing Department, will be audited to ensure compliance to ProCard guidelines. Expense Reports that are inaccurate will be returned to the department for correction. Instances of noncompliance will be reported by the Purchasing Department to the appropriate VP for corrective action.

Statement and Payment

A statement for each cardholder will be available by logging into your account on the Citibank website. Citibank will mail one summary billing to the Program Administrator listing all transactions during the period by cardholder. The Business Office will pay the summary billing in full. Payment is required within 14 (fourteen) days to Citibank. The Texas Government Code requires that the Business Office audit all vouchers before they are submitted to the State Comptroller’s Office for payment.

Purchasing Card Payment

Employees do not pay their own monthly statement. The program does not affect your credit rating in any way. The Purchasing Card Program carries corporate and individual liability.

Returns, Credits and Disputed Charges

Should a problem arise with a purchase item or charge every attempt will be made by the cardholder to first resolve the issue directly with the supplier. Review of statements is vital to ensure the account is properly credited for returns, credits, and disputed charges. The returned, credited, or disputed item **must** be noted on the Purchasing Card Expense Report.

- **Returns:** If a cardholder needs to return an item to a supplier, contact the supplier and obtain instructions for return. Note that some suppliers may charge a restocking or handling fee for returns. All returns should be indicated on the Expense Report.
- **Credits:** If an item is accepted as a return by the supplier, a credit for this item should appear on the following month’s statement. All credits should be indicated in the expense report.

- **Disputed Charges:** If a cardholder finds a discrepancy on a monthly statement, the cardholder should contact the supplier and attempt to resolve the problem directly. All disputed items should be indicated in the Expense Report. Copies of all correspondence with the vendor must be kept as documentation. A cardholder is responsible for the security of the ProCard and the transactions made with it. ProCards must not be shared, it forfeits your dispute rights with Citibank.

If a cardholder cannot resolve a disputed item directly with the vendor, the cardholder should contact Citibank directly and follow dispute procedures as instructed. Please visit https://www.globalmanagement.citidirect.com/sdng/static-11.1.5.02/citigroup/en_US/help/advanced/user_guides/A.pdf for steps to dispute a charge.

Card Termination

If it is found that a cardholder has not used the ProCard for three consecutive accounting periods (3 months), this card may be revoked at the discretion of the Program Administrator.

When a cardholder terminates employment with the University, the cardholder has the specific obligation to return the ProCard to the Purchasing Department prior to the employee's termination date. All paperwork for transactions pending the closing of the cycle must be submitted to the Program Administrator.

Multiple notifications to a single department for insufficient budgets by the Business Office may result in revocation of all department cards.

Noncompliance with State and University purchasing procedures will be grounds for revocation of cards of individual cardholders and if continued may result in revocation of all of the division's or departmental ProCards.
